

We are one human race and we all share the same predicament - sin that we cannot atone for. We are all saved by the blood of Jesus.

I. The Love of God is where it all begins.

Our response must be love for God and each other.

II. The giving of Jesus as the perfect sacrifice was the cost of His love.

A. Blood must be shed.

B. The 2nd Adam reverses the 1st Adam.

III. Our new identity is in Christ.

A. Our "in Christ" identity supersedes our former identity.

B. To be truly alive is to be in Christ Jesus.

In Christ, the 2nd Adam, we find life instead of death and unity instead of division.

How does this apply to me?

For November 14: Read Ephesians 1:1-14; Romans 8:12-30
