

# JESUS SUPREME & SUFFICIENT

THE BOOK OF HEBREWS

September 3, 2023

A Fearful Thing  
Hebrews 10:26-31

What we believe is revealed by how we behave.  
Behavior exposes belief.

## I. God's Adversaries (26-29)

- Knowledge without life change.
- The deliberate choice to live as we choose instead of submitting to the authority of God is inconsistent with true salvation and exposes us to be enemies of God.
- Salvation is more than knowledge, it is belief that results in life change.
- Belief is expressed by repentance and submission.

## II. The Vengeance of the God of Grace (29c – 31)

- God's vengeance is just and right.

How does this apply to me?
